Highlights of the day were definitely Ando going home to get his uniform and Teizo smashing a foul ball into the dugout getting the ball to fly at angles which defied the laws of physics and making Tom and Dirty feel like JFK and Governor Connely and they both were hit by the ball and couldn't work out how...does the magic bullet theory apply? We have the battle for second spot against Bonbeach this week at the Patch . Should be a cracker.

Highlights: The Under 16 boys lined up against the Pirates for our Round 10 clash. We are acutely aware that we are very close to making the finals and need to just keep winning to keep our chances alive. We went in switched on from the start and put runs on the board from the first dig. Their pitcher struggled and we put pressure on him with some excellent pitch selection. We were then able to hold them to a run-less first inning to really consolidate our advantage. They then changed the pitcher to a guy that really tied us up the last time we met this season. He still threw well but our guys put on a display of team batting where contact hitting was the

Highlights: I don't know what it is about us and this Dingley team but we lined up against Dingley, who haven't had a great season, reasonably expecting a good win. But to Dingley's credit they really played well and pushed us all day . They smashed the ball but we were solid in defence with Dirty making some great plays at short stop and young Tom (who was standing in for Chris Ando while he had to go home and get his uniform after discovering he hadn't bought it when he was about to get changed!), making a couple of run saving plays at second. We were able to get a couple of runs on the board early and were never headed but it was tight all day with only one or two runs in it at any one time. Although we managed to smash it open in the top of the eighth , scoring eight runs but the game ran out of light and the scores reverted back to a one run ball game. Mark Ando threw the whole game and although it was a hitters day he hung in there to pick up the win. Dirty and Grease were great with the bat picking up a couple and Ant Richards deserves a mention for smashing the ball all day but as can happen with this game he ended up hitless in the scorebook.

main goal. We achieved that and consequently the hits flowed. Sam, Dave, Tom, Josh, Ken, Jordy all picking up hits. In the field we attacked the ball and picked up outs with aggressive fielding (you don't often see an 8 to 4 play on a forced runner!). Kenny was great on the hill put the ball not in the middle of the strike zone but around it all day. Some great fly balls for Bill and Jordy topped off a great day. We achieved a 20 run turnaround as they had beaten us by 10 runs early in the season and now it was our turn to knock the, off by 11 runs. Great effort guys a real indication of our improvement. We have Berwick this week and we are really confident we can be competitive and give them a fright!
