A1

Frankston 2 lost to Boneo 6

Hits: 2 - Smithy, Adam Warren. 1 - Mitch Barr.

Pitching: Matt 7IP 8H 7K 1BB 3ER
Snitz 2IP 2H 3K 2BB 2ER

Highlights: It was a different tomato outfit taking the field from what was selected on Thursday night. With injuries, unavailability and sickness, many changes were made still 30mins before game time. We welcomed back Ben Smith who picked up where he left off scoring our only 2 runs for the game. Humphrey and Snitz held a determined Boneo at bay for most of the day but our lack of scoring was a serious problem with 13 runners left stranded on base. In the end we were outplayed in the batters box and will need to improve dramatically next week.

Hits: 4 - Paul Dent. 3 - Teizo Kato, Daryl Dicker (inc 2 x 2B), Mark Greasley (inc 2 x 2B). 2 - Mark Anderton (inc 2B). 1 Floyd Selleck, David Halls (inc 2B).

Pitching: Ando 6IP 8H 7K 1BB 2R 2ER
Dirty 1IP 0H 1K 0BB 0R 0ER

Highlights: A bleak and cold day as well as a muddy and wet top diamond greeted us at Dingley for the Round 9 clash for the A3 side. I seem to say it every week but it was a different looking side when compared to last week. A couple of late pullouts meant we had to fly down a special reserve from Queensland where we welcomed back Floyd to a freezing Melbourne day. Dirty also managed a narrow escape from the 1s and was also able to pull on the boots. Young Tom also filled in and started the day well by getting the first out of the day. We also got Hallsy back from injury and were able to put old man Ando back on the hill after quite a few weeks away from pitching duties. A game

like that where the weather is so shitty can prove to be a dangerous one where anything can happen, but the boys jumped on the job straight away and were able to apply scoreboard pressure from the first dig. The Dingley boys came out swinging and started well, but when the Frankston catcher got his brain into gear and started to call the game Ando was able to shut them down. A great effort in the field from all the guys held them pretty well score less. Special mention to Greasa for his day at third base and to Taz and Hallsy for their outfield work. A great day in the batters box by all but special mention to Denty for 4 hits. Well done guys. Lets keep up the attitude and keep having some fun but also start looking forward to the finals and consolidating our ladder position. Special thanks to Lovey for umpiring the last half of the game after the Dingley umpire had to leave.

Frankston 8 lost to Cheltenham Blue 13

Highlights: A freezing and wet Saturday morning awaited us at the Patch for our clash with Cheltenham blue. We had geared ourselves up for this game with the hope that we could really put up a good fight and see how far we have come as a team. Unfortunately we seemed a bit over awed and really didn't start to get going until after an hour into the game at such time it was probably too late to catch up with them as they had piled on 12 runs to our zero. However when we did begin to fire we showed what we are capable of by piling on 7 runs in one innings with Sam Alter hitting a grand slam over the right field cones. Jody impressed on the mound with a first time pitching performance which held Chelt to only a couple of runs. We showed that once we started to fire up we matched it with them (it was a 1 all ball game for the last two innings) and the

only major difference between the two sides was their starting pitcher who was outstanding and their ability to make fundamental plays constantly. We are still hopeful of making the finals but will have to win nearly all of the remaining games to do this. But if we play to our ability and gets our minds on the job we can match anyone.
